CONCRETE CONTRACTORS LIST

This is a list of some local concrete contractors who have shown an interest in doing sidewalk repair work in Beaverton. This list is being provided as a convenience to you. It is not intended to be interpreted as a recommendation of any of the contractors. It is recommended that you:

1. Get recommendations of contractors used by friends and family.
2. Obtain competitive bids from more than one contractor.
3. Look at other completed jobs done by the contractors.
4. Check the references offered by the contractors. A reliable information source is the Oregon Construction Contractors Board. You can find information about contractors on their web site: www.oregon.gov/ccb
