

Four Seasons HOA Listserv Policy

The Four Seasons Homeowners Association (“FSHOA”) Listbox email listserv is intended for members of the FSHOA to email or post information about or discuss issues directly affecting the Four Seasons neighborhood area and Beaverton as a whole as it affects Four Seasons. It is intended as a resource for Four Seasons residents to connect with one another, share relevant information, and seek out recommendations or other information. It is intended to help foster the sense of community and pride in our neighborhood that makes Four Seasons such a great place to live.

The content of the listserv is user-generated and does not reflect the opinions, positions, beliefs, or recommendations of the FSHOA or the Four Seasons Board of Directors (“Board”). Emails sent to the listserv are not pre-screened. Messages that fall outside this Policy will be noted by the moderators at their discretion. Recognizing this is a judgment call, the moderators will attempt to allow as much leeway in this policy as is reasonable.

Moderators shall endeavor to notify any person who sends an email that violates this policy. If a person continues to violate this policy, a person may be removed from the email listserv, at the discretion of the moderators.

The decision of a moderator that an email is in violation or to remove someone’s access to the listserv can be appealed to the Board at the regularly occurring Board meetings. The Board can overturn or uphold the decision of the moderator at the Board’s discretion and the decision of the Board shall be final.

Other General Policy Points:

- Swearing, personal attacks, and harassment are not allowed.
- No solicitation (though a member request for information or recommendations may be responded to with commercial information).
- Political issues and candidates are not within the scope of the FSHOA and are therefore not appropriate topics for this listserv.
- If there is a local political issue of importance to Four Seasons residents that you would like distributed to the listserv, please send the information to the moderators at fourseasons.listserv@yahoo.com, who will determine whether it is appropriate for distribution to the listserv and, if so, will distribute it.
- Only Four Seasons residents and homeowners can join the listserv.

To sign up, email your name, email, and the applicable Four Seasons property address to fourseasons.listserv@yahoo.com. Once approved, you will be joined to the listserv. As a member, send group emails to fourseasonshoa@listbox.com.
